## WEEK 3 WINNERS!

What a great week of special events and successful campaigning! We raised over \$149,000 and are about \$4,000 ahead of this time last year! Through these first two weeks, City employees have shown what caring about the community looks like.

This week, we have 4 winners that will be visited by our T-Rexes. Outstanding participation was shown by the following departments:

★ **Austin Public Health** with **3.3% participation** in the large departments category (Shout out to Austin Energy who is a close 2nd with 3.1%),

★ **Transportation** with **8.39% participation** in the medium departments category,

★ **Law** with **8.6% participation** in the small departments category, and

★ **Office of the City Auditor** with **46.7% participation** in the very small departments category.

Congratulations to those departments! Fantastic work, so far, but the job is not done yet. We have 2 more weeks ahead of us and \$350,500 more to collect to reach our goal. We also have many events planned that will certainly continue to fuel the spirit of giving. Keep it up, City of Austin!

Contact Olga Ovcharenko to purchase your copy!
